Introduction to Vedic Astrology-Volume III

“Money is Prosperity”. The book, “Introduction to Vedic Astrology-Volume III”, is a unique book, which is very informative and also easy to understand. One book is truly the equivalent of several books on astrology. You can make predictions of horoscope for you or any member of your family with the help of this single book. This provides some of the elementary and in-depth essential elements of complete Horoscope predictions. Many of the basics of astrology are explained in detail. Astrology is not knowing your future, but planning your future by averting the misshapeness by action in the right Muhurta and at the right time, wearing Gems, wearing Yantras, chanting Mantras and Prayers. It is important to realize that success comes only with the right actions at the right timing. The whole secret of Astrology is “Right Timing”. This Book provides the best times for successful ventures such as starting a business, buying a home, or investing in the Stock Market. JP Morgan made a fortune using astrology for “Right Timing”. This knowledge is made available to you through this book. By using the book, your life will be more prosperous than ever before. It is important to work “Smartly” but not hard. This Book gives you the followings: 1. The prospective tools to make your life more rewarding. 2. Career and love life at its ultimate zenith. 3. Guidelines to ever dream of becoming a Star. 4. Discovering your financial fortune in life. 5. Secrets of looking at the “Best you can be every day”. 6. Start a professional practice and setting your fees. 7. Horoscope Predictions of any Person. Enormous books are available in the market, each one covering one or two topics on Astrology. In the developed countries like America, France, Japan, Germany and Britain, plenty of books on Astrology are available, covering one or two topics but it cost much more than our buying capacity. One has to read many books to master Astrology and also to predict the individual Horoscope/Chart. Our life is speedy. It is ever active and is changing every moment. Each one of us is facing difficulty at every step. This book will facilitate to reach your destination by moving ahead with ease even in the storming situation. This is so much strife and struggles in the present time as it was never before. This is a time of ready-made food and fast food. Nobody has time to cook the food and then eat. Only this feeling motivated me and necessitated making this book. This is easily approachable and compact. It is full of all information in one place to be referred easily and quickly by anybody whether busy in any profession. I have tried to make clear what the correct astrology works is. These are all correct facts & figures collected from various books and incorporated here in a single book for the first time for use by the common men. Behind all this, there is my exhaustive study and collections. More than the study is the presentation of the subject matter and even much more than the presentation of the subject matter is long years of experience and association with the astrology work all over India and abroad. This gives authenticity to the book. This book is a tool for the Jyotish Students, the Beginners, and the somewhat advanced Students and the Professionals too. Many “psychic services” charge you as much as \$50, \$75, or even \$200 for a single reading of your life prediction, but, this book offers you a single instrument for reading as many as you want and that too at the cheapest rate. The technically advanced matters allow you to deliver your reading to you accurately, quickly and effectively. Not only will your reading be incredibly accurate but also you will have it available to read and analyses at your own pace. Besides, this book offers you an opportunity to record your readings and readings of your family members by yourself. Just realize that how much you are going to save on account of Horoscope readings for you and your family.

Sacred Ganges River

The Sacred Ganges River explores the profound spiritual and cultural significance of the Ganges River within Hinduism and Indian culture. It reveals the river's central role in religious rituals, its revered status as a purifier capable of bestowing moksha, and its connection to major religious festivals like the Kumbh Mela and Ganga Dussehra. The book highlights how the Ganges is more than just a geographical feature; it's a living embodiment of Hindu beliefs, deeply interwoven with the quest for spiritual liberation. The study begins by exploring the mythological origins of the Ganges and its presence in Hindu scriptures, including the Vedas, Upanishads, and Puranas. It then examines the river's role in key Hindu rituals, such as bathing and cremation, detailing their symbolic meanings. The book further investigates contemporary challenges, including environmental degradation and pollution, discussing their implications for the river's future. By drawing upon ancient scriptures, historical accounts, and ethnographic studies, "Sacred Ganges River" offers an interdisciplinary approach to understanding the complex interplay of tradition, belief, and environmental change that defines the river's identity.

The True History and the Religion of India

About the Book A DEEP AND PROFOUND INSIGHT INTO THE GARUDA PURANA AND THE HINDU CONCEPTS OF DEATH, REBIRTH AND IMMORTALITY. Why do Hindus feed their dead ancestors? And why do they prefer burning the dead to building tombs? Does Hinduism have no concept of Judgement Day? What is the impact of death on its notions of womanhood and caste? Is the Vedic approach to death different from the Tantric one? The idea of death and rebirth is embedded in the Hindu mind through ritual and story. Death is not just tragic, but ambiguous too. For instance, it is the end of one journey, but it is also the beginning of another. Similarly, while it is true that the ancestors are venerated and fed posthumously, death is also considered inauspicious, a source of impurity. There are a variety of rituals that seek to address these ambiguities, provide comfort to the living and deliverance to the dead. In Garuda Purana and Other Hindu Ideas on Death, Rebirth and Immortality, Devdutt Pattanaik explores the many concepts around death across the spectrum of Hindu puranas and mythology. Bhuta, pishacha, preta, pitr and vetala make their appearance in this study, as do Yama, Hanuman, Kaal-Bhairav, Ram and other gods as well as lesser beings. The book is a unique enquiry into the inevitability that is death—but equally it is a guide for the living on the choices we make.

Hindu Idolatry and English Enlightenment

In this book, “Vedic Astrology-Volume IV”, you will establish a solid foundation of the Vedic Astrology. Vedic Astrology is an extremely valuable tool that you can use personally or for the benefit of others. Before you learn how to read a horoscope chart you need to know how the universe is arranged (astronomy), what the planets mean and how the signs influence the planets that live within them. In addition, you will understand the special house meanings and how the moon's nodes are formed. The nodes unique to Vedic Astrology are known as Rahu and Ketu. Vedic Astrology (Jyotish) is much more than mere fortune-telling; it's a comprehensive science that explores the influence of celestial bodies on human life. In this book, we will delve into the fascinating world of Jyotish, exploring its history, core principles, techniques, and its significance in contemporary society. At its core, Jyotish operates on a set of fundamental principles that help practitioners interpret the positions of celestial bodies. We'll explore these key principles in depth. Jyotish is as old as the Vedas themselves, and its origins can be traced back to the Vedic period. Here, we'll explore the historical backdrop of Jyotish and its evolution over the centuries. Predictive astrology in Jyotish involves forecasting future events and trends in an individual's life. We'll explore the techniques and methods employed for predictions.

1.1 Vedic Roots: The Vedas, the oldest sacred texts of Hinduism, contain references to the study of celestial bodies and their significance. Jyotish finds its foundation in the Vedanga Jyotisha, one of the Vedangas or limbs of Vedic knowledge, dedicated to the science of astronomy and timekeeping.

1.2 Yugas and Cosmic Cycles: Jyotish encompasses the concept of Yugas, where each age has a distinct astrological influence on human affairs. We'll discuss the four Yugas and their implications.

1.3 Ancient Scholars: The contributions of ancient scholars, such as Varahamihira, Aryabhata, and Parashara,

played a pivotal role in shaping Jyotish into a refined system of astrological knowledge. 1.4 Transmission through the Ages: The knowledge of Jyotish was passed down through the guru-shishya (teacher-student) tradition. This section will explore how Jyotish was preserved and transmitted through the ages. 1.5 The Zodiac: Jyotish uses the sidereal zodiac, which aligns with the actual positions of stars and planets. We'll explain the significance of this choice and compare it to the tropical zodiac used in Western astrology. 1.6 Planetary Positions: The positions of planets in different signs and houses are central to Jyotish. We'll delve into the meanings and influences of the nine primary planets used in Jyotish, including the Sun, Moon, Mars, Mercury, Jupiter, Venus, Saturn, Rahu, and Ketu. Each planet carries unique symbolism and governs specific aspects of life.
